

Eddie Chumney in the UK

List of Resources

Eddie has now been to the UK several times and has shared the message YHWH has put upon his heart from the north of England through many counties to the south coast, in our two largest cities and several others, and in small villages and hamlets, meeting UK believers in large church buildings, schools, hired rooms and in small house groups. His teaching has blessed hundreds of people and many of the meetings have been recorded and put on DVD for personal and group use.

All the messages recorded in the UK are available for distribution at cost price, which is £2.00 per DVD plus postage. Some are single discs and others hold two, three or more DVDs depending on their length and content.
