

Eddie Chumney's Teaching Resources

All his CDs and DVDs teaching on

The Hebraic Roots of Christianity

Eddie's motivation is not to profit financially from his teaching, but to encourage believers to understand the purpose of the Almighty in these last days before Messiah's return, so that the Bride will be prepared for her wedding with her heavenly Bridegroom.

As a result of his recent visits to the UK Eddie has

made all his teaching on DVD and CD available for distribution at a much lower price than if ordering direct from the USA. As the UK distributor of his material we are offering the complete range of Eddie's teaching at cost price plus postage, which works out at £2.00 per DVD/CD plus postage.

Please let us have your contact details especially your email address if available, when ordering, and we will let you know the full amount before despatch.

Thank you.
